To all Barwick Location Customers:

Due to the age of our Barwick Main Office as well as recent damage done by Hurricane Idalia, and after lengthy conversations with Engineers and Architects regarding the safety and continued long term use of the branch, we have come to the extremely difficult decision to demolish and completely rebuild our Barwick Main Office. History and tradition are important to the Board and employees of Barwick Banking Company, so it is truly a sad decision for us, and does not come lightly.

The extensive re-build project aims to improve our facilities, and create a comfortable, pleasing environment for our customers, while keeping the charm and history that is part of the branch. While we make every effort to minimize inconveniences during the re-build, we anticipate some temporary disruptions. Therefore, we have arranged for a convenient solution to ensure uninterrupted banking services for our customers - a temporary location in the parking lot adjacent to the existing branch. The temporary location will have all of our current branch operations, and will be fully equipped to handle all banking transactions, including cash withdrawals, deposits, inquiries, and loan services. Our branch personnel will be on hand to provide seamless assistance. During the re-build period, we understand that parking arrangements may be affected to accommodate the temporary structure. We apologize for this temporary inconvenience and assure you that our team will be working to ensure minimal disruption to you. To facilitate a smooth transition, we will be sharing regular updates, including specific dates for the commencement and completion of the re-build project, any anticipated service disruptions, and temporary relocation details.

We truly appreciate your understanding, cooperation, and continued support during this re-build period. Please be rest assured that we are committed to minimizing any inconvenience caused during this time. If you have any questions, concerns, or require further information, please do not hesitate to reach out to me or any of our branch personnel.

Sincerely,
