

# Payment Processing with No Strange Fees

Barwick Banking Company has partnered with Usio to bring you this special offer. Your business can **now process payments with NO FEES**. That is right! Processing fees can be passed onto the cardholder as a convenience charge. Or, you may choose our Flat Rate processing. Either way, **your company will not be charged**: transaction fees, statement fees, dues & assessments, batch fees, qualifying fees nor non-qualifying fees.

There's  
More. You  
Also Get  
This...

**Debit/credit card** payment processing with a flat rate or the option to pass on processing fees as a convenience charge

**Choose from** EMV, chip or contactless terminals

**Complimentary Pay Now button** on your website that is integrated with the highest level of data security available, PCI Level I.

**Plus Additional tools** to set-up recurring billing, send branded invoices via email and streamline the entire reconciliation process with data at your fingertips
